per 1,000, packed. 75 44 22 11 6 3 3 17 lbs.

PLEASE NOTE.

I can make parcel-post shipments along the coast at any time, but eastern shipments are not made by parcel-post until after March 15th., due to the danger of freezing in the mail. Express shipments can be safely made at any time. For heavy shipments not needed in a hurry, I recommend shipment by heated freight car. This service is fairly fast,- about ten days from here to Chicago, and the charge is \$2.75 per 100 lbs to most eastern points.

10% discount for cash with order will be allowed on all orders from this Wholesale List received before December 31st., 1932. I do not fill wholesale orders under \$3.00.
